

THE DREAM ROUTE IN THE ALPS

THE PASS. LONGER THAN 48 KILOMETRES. A LEGEND.

A UNIQUE ROAD WITH SCENIC VIEWS

Planned in 1924 the construction of the road starts 1930. Five years later the road is officially opened on August 3rd, 1935. The next day goes already the first Glockner-Race.

The mighty Grossglockner with a height of 3.798 m to the peak ist thee highest mountain of Austria.

The pass has 200 curves and 36 hairpins in total. What a unique and brave construction – ideal for brave drivers of today in their classic cars and historic race cars.
