VEHICLE REQUIREMENTS

- Automobiles that meet the requirements of the Austrian Road Traffic Act at the time of the event and vehicles with a valid FIA car pass (note insurance cover!) are permitted. Vehicles not registered in Austria must meet the international vehicle registration law of their country. The organiser accepts no liability or warranty for the right to participate in the case of police objections or technical objections. Evidence of third-party liability insurance for the legal minimum amount must be provided for all participating vehicles. By filing the entry, the driver guarantees that an appropriate insurance is in force without limitations for the vehicle.
- At scrutineering, the automobiles will be inspected by an expert from the ÖATMC, the OSK or a technical monitoring organisation. Where significant deviations from the Motor Vehicles Act implementation regulation or the Road Traffic Licensing Regulations are found, and for technical defects, the vehicle can be excluded from participation. In such a case the registration fee is lost and remains with the organizers. The driver and co-driver must wear helmets. Historic helmets may be worn at your own risk as long as they are still intact.
